# End of Life Traditional Teachings:

A Klallam Perspective with Carmen Watson-Charles

~~Wed. July 8, 2026, noon – 1:30 PM PT~~

**WILL BE RESCHEDULED**

ʔáy'skʷáči. (Good day)

I am Carmen Watson-Charles and community has been at the heart of all my teachings from many amazing women in my life.

I have had the honor to serve our community in multiple generations starting with protecting our ancestors, still to this day, helping mothers birth our next generations into this world, fostering many of my relatives' children and taking care of my elders until their last breath. I have had the honor to be part of the full circle of life in one way or another, guiding me and making me the person I am today.
